Track 1: **Christmas For Penguins**

All:
Christmas time, Christmas time,
Christmas time for penguins,
Christmas time, Christmas time,
Christmas time for penguins.

We don't have a fire, we don't have a tree;
We don't have a cake…happy as can be.
All we do is stand, all we do is fish;
All we do is swim… what more could you wish?

Christmas for penguins,
Christmas time on ice;
Christmas for penguins,
We all think it's nice.

It's Christmas in the East,
It's Christmas in the West,
It's Christmas in the North,
But what we all like best
Is that it's Christmas for penguins…
Where it's freezing, penguin pleasing,
At the very cold South Pole.

Christmas time, Christmas time,
Christmas time for penguins,
Christmas time, Christmas time,
Christmas time for penguins.

Wouldn't like the ice, wouldn't like the snow,
Wouldn't like the hail, we'd just want to go.
No place there to rest, no place there to play,
No place there to live, we'd just get away.

Christmas for penguins,
Christmas time on ice;
Christmas for penguins,
They all think it's nice.

It's Christmas in the East,
It's Christmas in the West,
It's Christmas in the North,
But what they all like best
Is that it's Christmas for penguins…
Where it's freezing, penguin pleasing,

Track 6: **On A Sleigh For Santa**

All: On our way on a sleigh for Santa,
We fly through the starry sky;
On our way on a sleigh for Santa..

The houses are far below us, they seem so tiny…
The reindeer are swooping on the town.

Diving low, soaring higher,
Speeding on, soon be there …
What a sleigh, flying through the crisp night air.

On our way on a sleigh for Santa,
We fly through the starry sky;
On our way on a sleigh for Santa..

And there is a farm below us, it seems so tiny…
The reindeer are swooping on the fields.

Diving low, soaring higher,
Speeding on, soon be there…
What a sleigh, flying through the crisp night air.

On our way on a sleigh for Santa,
We fly through the starry sky;
On our way on a sleigh for Santa..

A river is slowly winding, it seems so tiny…
The reindeer are swooping on the trees.

Diving low, soaring higher,
Speeding on, soon be there…
What a sleigh, flying through the crisp night air.
What a sleigh, flying through the crisp night air.
